

Black & White Charity Gala Dinner. 'An Evening with Samuel Johnson'

Supporting Love Your Sister Foundation to Kick Cancer in the FaceHole.

Proudly bought to you by Property 4670 Real Estate and Supported by Hitz FM and 4BU

Ok so, in order to hold my Black & White Themed Charity Gala Dinner I need to write a compelling description about who I am (which I'm not very good at 😊) about why I want to raise funds for Love Your Sister and why it is important to me ect. Apparently "Because it's the right thing to do" is not really a good enough answer. So here goes my attempt about talking about me and my vision/reason.

I am extremely blessed (most days 😊) to have 2 beautifully amazing teenage daughters and of course my beautifully amazing teenage daughters have many equally gorgeous and amazing teenage friends. It scares the absolute heck out of me that one of my daughters or their friends or their friends mum's will succumb to this crappy thing called cancer and this is a very real reality as "one in eight women in Australia will be diagnosed with breast cancer in their lifetime" so the odds aren't great right!!!

Personally, both of my grandmothers had breast cancer and one died from bowel cancer.

My absolutely gorgeous, healthy, caring, loving, compassionate friend drew the short straw and was diagnosed with breast cancer. After a bloody tough fight, she "Kicked Cancer in the FaceHole" though like many women and men, it was a tough fight and she is one of the lucky ones.

The only way we can vanquish this awful disease is to raise much needed \$\$\$\$\$\$ for research because I don't want my daughters, their friends, their friends mum's, or our grandchildren to be subjected to this disease so I need to do my bit to help.

From here I just want to add a little important information provided to me from Sam and the amazing team at Love Your Sister because this is the most important part:

Love Your Sister pass on 100% of donations received straight to cancer research, no admin, no skimming, no BS. In fact, you do better placing your donations with us than with the Institutes themselves (if you donate individually to Research Institutes you won't get the assurances that our collective power ensures - we get research-only guarantees, full reporting and the right to audit). We support the vanquishment of all cancers and funds raised will be used to establish a national metastatic tissue bank for all cancers.

Now this fundraising event, this cause, this organisation or foundation, whatever you call, it is bigger than a little speel about ME!!!!

This is bigger than YOU!!!

This is about a future WITHOUT CANCER and the only way we can make that happen is for anyone and everyone to chip in and do our bit, chip in what we can, big or small, it all counts because this is for the future of our kids, our parents and grandparents, the people we love.

How bloody amazing would it be to live in a world that has vanquished cancer.....dare to dream, dreams do come true.

So join with me, join with Sam and a room full of gorgeous folks who want to band together to "Kick Cancer in the FaceHole" and have a great night doing it.
